

Why purchase your testing supplies from Global Safety Network?

Dedicated Customer Service

At Global Safety Network, our dedicated customer service team members are available to assist with questions or recommendations. Your satisfaction is our utmost priority. We sell the highest quality products available and we make it simple to order with a few clicks of your mouse. Our attention to detail and assurance your products are delivered timely is foremost in our ordering process.

FDA Approved Devices

The majority of the tests we sell on our site are OTC or Professional use and are FDA approved. When you review the product information, the FDA or CLIA approval designation will be noted.

Fast and Accurate

Our devices are up to 99.9% accurate and we also have forensic laboratory confirmations available.

The drug screening devices are available from 3-Panel to 13-Panel configurations. Our rapid detection devices provide results within minutes

Affordable

Our testing devices are affordable, but offer the highest reliability in the market today.

Convenience

Tests can be administered in the office or the privacy of your home.

Secure Ordering

Be assured your personal information is safeguarded as we provide the highest level of data encryption available. Our site is protected by DigiCert so you can rest assured your identity and credit information is safely processed.

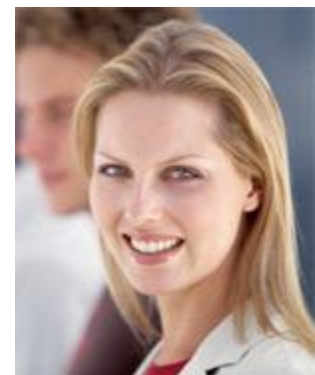

Fast Shipping

We offer a multitude of shipping options to ensure timely and secure delivery right to your home or office. FedEx, UPS and USPS – overnight or ground shipping is available.

Why Global Safety Network?

Since our founding, we have distinguished ourselves from our competitors by our focused approach to customer service. Our goal is to provide our customers with comprehensive, single-source solutions, with customer satisfaction as our trademark. Our dedication to customer satisfaction has allowed us to build long-term relationships with our customers.

Global Safety Network is a national provider of risk management solutions. Our experienced staff will help you design a program that **meets your company's** unique goals and expectations. Our comprehensive selection of workplace programs will enable you to make responsible and informed hiring decisions.

In a professional partnership with our clients, Global Safety Network delivers customer service that is accurate, individualized and timely. Through product innovation, our solutions promote ease of hiring, employee retention, compliance and confidence. Our goal is to provide our customers with comprehensive, single-source solutions, with customer satisfaction as our trademark.

We deliver comprehensive solutions that emphasize quality services, prompt response, and extensive client support. The benefits of partnering with Global Safety Network go beyond typical client relationships. We are a reputable organization that provides breakthrough service options with a human touch. Whether maximizing an existing program or implementing a new one, partner with an organization that ensures professionalism, confidentiality and excellence in every aspect of workforce risk management.

Global Safety Network is your sole source for complete employment screening services.
